Narrow Gate Media LLC Looks Exclusively to First National Merchant Solutions for Internet Payment Processing Solutions

Omaha, Neb. – January 21, 2004 – Narrow Gate Media LLC, an award winning provider of Internet solutions and interactive media, stopped its search for an all-inclusive Internet payment processing solution upon first working with First National Merchant Solutions. In First National Merchant Solutions, Narrow Gate Media found the total package: a complete Internet payment solution that is scalable to Narrow Gate Media clients. The marketing communications company now exclusively offers First National Merchant Solutions' payment processing products and services to its clients.

"When it comes to payment processing, we found First National Merchant Solutions to be the most flexible and customer-service oriented for our customers, plus they have very competitive rates," said Tom Vaught, co-owner of Narrow Gate Media LLC.

First National Merchant Solutions Internet-based product, PayFuse®, gives merchants maximum flexibility and ease in creating an easy-to-use online sales environment with the added benefits of low setup costs, real-time transactions and the ability to streamline business processes within one application. First National Merchant Solutions also offers customers a wide array of fraud tools and business practice tips.

First National Merchant Solutions, ranked eighth nationally among credit card processors, developed PayFuse as a way for merchants to obtain real-time authorizations for credit card transactions in a safe and secure environment where merchant and cardholder data cannot be compromised.

"First National has one of the most competitive discount rates on the market which allows us to work closely with our team to deliver excellent products and services to our clients," said Vaught.
